

# GENERAL FACT SHEET

10R-214

BILL NUMBER

## BRIEF TITLE

Air Pollution Regulation Changes

## APPROVAL DEADLINE

## REASON

Update regulations.

## DETAILS

## POSITIONS/RECOMMENDATIONS

<p>The Lincoln-Lancaster County Health Department (LLCHD) proposes to update the Lincoln-Lancaster County Air Pollution Control Program Regulations and Standards. The regulations need to be updated to assure consistency with Federal and State air quality regulations. The majority of the proposed changes add definitions, modify when construction permits are needed for industrial emergency generators, and add new New Source Performance Standards. Changes to other sections clarify existing provisions.</p>	Sponsor	Board of Health
	Program Departments, or Groups Affected	Environmental Public Health Division, LLCHD and Regulated Air Pollution Sources
	Applicants/Proponents	<p>Applicant Board of Health</p> <p>City Department Health</p> <p>Other Air Pollution Control Advisory Board</p>
<p>Discussion (Including Relationship to other Council Actions)</p> <p>The City Council has regularly updated the LLCHD Air Pollution Control Program Regulations and Standards. This assures that the many local businesses, institutions, or industries that are regulated under the Clean Air Act are in compliance with Federal law if they comply with their permit conditions.</p> <p>The Federal Title V Operating Permits air quality program is delegated to the LLCHD and our local regulations must be kept up to date. Air quality regulations are designed to protect people from exposure to air pollution which can impact human health. LLCHD writes and issues air quality permits, conducts inspections, inventories air pollution emissions, provides technical assistance and conducts enforcement actions when necessary. This program is 100% fee funded, primarily through emission fees charged for air pollution emissions.</p>	Opponents	<p>Groups or Individuals</p> <p>None Expected</p> <p>Basis of Opposition</p>
	Staff Recommendations	<p>X For <input type="checkbox"/> Against</p> <p>Reason Against</p>
